CANTON-POTSDAM

HOSPITAL GUILD

A BRIEF HISTORY OF THE GUILD

In 1933 the Guild was formed and met weekly to provide sewing services for the hospital. During World War II, it met twice weekly to prepare surgical bandages. In 1952, a hospital gift shop opened for business and was operated continuously until the pandemic in 2020 and reopened in 2024. In 1978, it was incorporated as a charitable nonprofit organization. In 2017, the E.J. Noble Guild of Canton and the Potsdam Hospital Guild, Inc. merged to combine fundraising efforts under the new name of the Canton Potsdam Hospital Guild, Inc. The guild has fostered a valuable connection between CPH and the surrounding communities. Both original guilds had their beginnings in the mid 1930's.

Over the years, the Guild has sponsored many events from golf tournaments, book sales, spaghetti dinners, and garden tours to soup luncheons, jewelry sales, scrub sales, and wreath sales, among other activities to raise funds for the hospital.

In 2023, Canton-Potsdam Hospital Guild pledged \$150,000 to secure naming rights to the Canton Potsdam Hospital Guild Gift Shop, which re-opened in fall 2024 following a nearly five-year hiatus due to COVID. It is the organization's largest and most important fundraising activity, managed and staffed entirely by volunteers. Merchandise offered meets the needs of our hospital employees, persons visiting patients, and the community at large. Volunteers are always welcome and needed.
