Sponsor Community Outreach Programs

Guild Board of Directors

The Guild Board of Directors is comprised of 18 community members who volunteer their time and talents to determine and oversee the activities of the Guild. The Board meets monthly to organize many activities through established committees, such as membership, publicity and gift shop, and ad hoc committees for various fundraising events. Guild members are welcome and needed to serve on these committees. Board service is meaningful and rewarding. Please consider a leadership position on the Canton-Potsdam Hospital Guild Board.

Guild Member Benefits

Join the CPH Guild today and...

- Support Canton-Potsdam Hospital and its patients
- Receive notification of upcoming Guild events
- Earn a one-time 10% discount in the Gift Shop

Community Outreach Programs

- Mother's Day Baby Basket
- Nursing Scholarships
- Butterfly Garden
- Community Wellness Days
- Members also assist with other events and programs specifically designed to benefit Canton-Potsdam Hospital.

History

In 1933 the Guild was formed and met weekly to provide sewing services for the hospital. During World War II, it met twice weekly to prepare surgical bandages. In 1952, a hospital gift shop opened for business and was operated continuously until the pandemic in 2020 and reopened in 2024. In 1978, the Guild was incorporated as a charitable nonprofit organization. In 2017, the E.J. Noble Guild of Canton and the Potsdam Hospital Guild, Inc. merged to combine fundraising efforts under the new name of the Canton-Potsdam Hospital Guild, Inc. Over the years, the Guild has fostered a valuable connection between CPH and the surrounding communities. Both original guilds had their beginnings in the mid 1930's. Our success is due, in large part, to community members, like you, working with us to help make our hospital the best it can be. Your dues alone will help greatly, and your time and talents will help even more.

Come join us!
